## 5 Days Etosha National Park Epic Guided Safaris

If you only have 5 days available, visit Etosha National Park, one of the main tourist attractions in Namibia. This 5-day safari starts and ends in Windhoek. Etosha is known for its spectacular game viewing and the waterholes attract huge numbers of game in the dry season. During the rainy season, the park is transformed into a green oasis. This is the time you find the young of various animal species in huge numbers.

**Air Charter:**

Visitors pressed for time may opt to travel from A to B by air. Planes can be chartered from several reputable charter companies.

**Travelling by Road:**

Namibia has approximately 5 450km of well-maintained tarred roads and 37 000km of gravel roads which differ in condition. Vehicles travel on the left-hand side of road. Self-drive visitors should exercise caution when driving on gravel roads. Do not exceed 80km/h.

**Car Hire:**

All major international car rentals are represented in Namibia. Vehicles are available at the Airport and Windhoek city centre, as well as some of the other major centres. An International Driving Permit is required.

**What to Pack:**

Namibia has typical semi-desert climate with hot days and cool nights. It is therefore advisable to include both summer and winter clothing.

**Checklist:**

A small first aid kit, sunglasses, sun protection cream, a hat, moisturizing lotion and lip balm, comfortable walking shoes, a swimsuit, binoculars, toiletries, a small torch, travel insurance documents, and a telephone list (of family/friends/medical practitioner back home to contact in case of emergency) are recommended.

**Health:**

Private medical care in major towns and cities is good, especially in Windhoek. There are several private clinics which maintain international standards. Most remote towns have a modest hospital or clinic.

**Vaccinations:**

Take the usual precautions and consult your doctor. There are no mandatory vaccinations for travelers from Europe. The risk of contracting malaria is restricted mainly to three northern parts of the country and is usually limited to the wet summer months.

**Insurance:**

It is advisable to take out foreign travel health insurance which includes cover for repatriation. When signing for insurance, ensure that the cost for emergency flights within Namibia is covered, as well as repatriation to your home country. Emergency air evacuation is generally reliable if all paperwork is available and in order. Ensure your contract and passport are easily accessible in case of an emergency.

**Weather:**

The Namib Desert coastline is usually cool with a thick coastal fog. The country has summer rainfall. Summer temperatures are high while the nights are cool. Winter nights can be very cold, but days are generally pleasant. In summer (September to April) the average interior temperature ranges from 20-34C during the day. Temperatures above 40C are often recorded in the extreme north and south of the country. The coast has a relatively stable range of 15-25C. In Winter (April-September) temperatures in the interior range from 18-25C during the day and can drop to below freezing at night.
